

Monlot 2016

AOC Bordeaux Supérieur

The “Monlot” brand is founded by famous Chinese star, Ms. Zhao Wei, having fell in love with the beautiful terroir of Bordeaux, she hopes to share this great discovery with more wine lovers or even people with no wine knowledge, she came out with a series of wines with a numbering system, using numbers to represent each appellation. Bringing different appellations together yet restoring the expression of each unique producing area. In order to produce quality Bordeaux wines, Ms. Zhao Wei has invited Jean-Claude Berrouet (widely-renowned oenologist) and Claude Bourguignon (famous agronomist) to come onboard as consultants exclusively for Monlot No. 1,3,5, working passionately towards the same goal, building the Monlot brand.
